- Note: Some deadlines and meetings are adjusted as shown to accommodate intervening holidays. Deadlines are strictly adhered to due to the large volume of material that must be reviewed and/or referred for outside comment by agencies or consultants.
- Note: Both boards reserve the right to change meeting dates because of inclement weather, other emergency or extraordinary circumstances. We will make every effort to advise all involved/interested parties, including, but not limited to, radio and TV announcements (weather cancellations).
- Note: Special meetings are scheduled on an "as needed" basis and are announced by a press release notice to news print media (5 in our area: Highland Post-Pioneer, Southern Ulster Times, Poughkeepsie Journal, Times Herald Record, and the Kingston Daily Freeman), and on the Town's Clerk's board in town hall.
- Note: Usually meetings are conducted in the Town Hall meeting room on the first floor. Anticipated large public attendance for a particular application may require that the meeting be conducted at another town facility, pending availability, and this information is included in the meeting notice.
