TOWN OF LLOYD COASTAL ASSESSMENT FORM

In compliance with LWRP requirements contained in the Town Code and stipulated in Chapter 100, Article XXIVD,
Sections 100-100.44 to 100-100.52 as adopted by the Town of Lloyd Town Board
May 13, 1994

The assessment is intended to supplement other information used in your review process in the Town of Lloyd for the project which lies within this district (100' west of the highest point of the bluff as it rises from the Hudson River). The Planning Board will be making a determination of consistency with the policy standards set forth in our Local Consistency Review Law. The proposed action will be evaluated as to its beneficial and adverse effects upon the coastal area.

Please respond to every question by checking off "yes", "no", or "n/a" (not applicable). If you answer "yes", the proposed action will require more detailed analysis. You may take the opportunity in Section D at the end of this form, or in a separate document (narrative or graphic illustration) to explain the measures that will be undertaken to mitigate any adverse effects caused by your proposed project. Maps depicting the SASS (Scenic Areas of Statewide Significance) are available in the Planning Board office for your reference.
