

ENVIRONMENTAL ASSESSMENT

NYS SEQR Short Environmental Assessment Form

is found on the next page

Or may be obtained by accessing the following website link
www.dec.state.ny.us/website/dcs/seqr/forms/shorteaf

This may be used for most applications.

NYS SEQR Long Environmental Assessment Form

may be obtained by accessing the following website link:

www.dec.state.ny.us/website/dcs/seqr/forms/longeaf

This should be used when assessing whether one or more impacts exist relative to the application, and will guide the user on how to address mitigation of the impacts.

NYS SEQR and Town of Lloyd Coastal Assessment Form for use with an application for

a property located in the town's WBOD

(Waterfront Bluff Overlay District)

may be obtained from the Lloyd Planning Board/ZBA Office

Agricultural Data Statement

should be used in instances where the subject property

**is located adjacent to (or) in the
immediate vicinity of active farm land**

(see copy in this packet)

Stormwater Management Plan and Report

See a copy of the Flow Chart in this packet

That will guide you on whether or not, and

To what extent you must respond to stormwater
management issues pursuant to NYS DEC MS-4 Regulations
