

What Is the ECC's Mission?

The ECC's mission is to ensure that, as our Town's residential and commercial facilities expand, its residents, business people, and visitors continue to enjoy clean air and water, biodiversity of plants and wildlife, and scenic beauty. We believe these assets increase in importance with the town's growing reputation as a center for outdoor recreation.

What Does the ECC Do?

- + Provide counsel to the Town of Lloyd on environmental threats and opportunities.
- + Liaisons with other environmental groups in the region.
- + Promotes and conducts environmental education in community groups and schools.
- + Manages the Black Creek Water Trail.
- + Honors individuals, groups and institutions for their environmental contributions.
- + Serves as a forum where townspeople can communicate environmental concerns or possibilities.
- + Promotes the creation of an Open Space Plan for the Town of Lloyd to guide the establishment of eco-friendly conservation, development, and land-use policies.
