

MISSION STATEMENT

The Lloyd Community Development Corporation through the Town of Lloyd Revolving Loan Fund provides low interest loans to small businesses for part of their total financial needs to create new jobs or keep existing jobs in the Town of Lloyd. The Revolving Loan Fund encourages the rehabilitation of historic buildings for industrial or commercial use, the re-use of land and facilities or the redevelopment of said properties to create job opportunities and assist in the stability of small businesses. By providing low interest financing, the Revolving Loan Fund can attract new industry to the community by encouraging the development of or retention of industry to the area and lessening the burdens of government and acting in the public interest.
